Need a pillow for the cup?

Sydney, 28 October 2002 – Racing to the Melbourne Cup? You've got a case of champers, your frock and hat are sorted and your betting kitty in your purse, but forgotten about sorting out somewhere to sleep?

Your solution is a click of the mouse away thanks to RatesToGo.com (www.ratestogo.com), Australia's smartest, new accommodation website.

The RatesToGo.com site offers deeply discounted rates, well under normal rates from travel agents or even the hotel direct and luckily has accommodation available in Melbourne on Cup night.

If you're not off to the Cup but are looking for cheap rates for a weekend away with your mates, RatesToGo.com offers over 400 properties across Australia. You can choose from two to five star hotels from Adelaide to Airlie Beach and everything in between.

Unlike other hotel sites, RatesToGo.com allows bookings, at the best possible price, up to three weeks in advance - giving plenty of time for planning and packing.

It's impossible to lose with RatesToGo.com. It's the only accommodation website in Australia that offers a Lowest price guarantee* - They will refund the difference if you find a cheaper deal. (conditions apply).

You can reap further benefits by booking with RatesToGo.com through its unique club membership. Every booking made earns member dollars that can be spent towards future accommodation. Additionally, if you refer a customer to the site, each time they make a booking, referral dollars grow in your membership account. Members accumulate referral dollars every time the person they referred makes a booking over the next 12 months
